

Exhibit Profile

◆ Pre-Press Equipment

Plate-making

Digital printer for sample making

Cutting and creasing tables

Others

◆ Printers

Screen Printers

Sheet-fed offset printers

Flexographic printing machines

Digital Printers

Gravure printers

Electronic monitoring code related equipment

Others

◆ Folding Carton Converting Equipment

Folder gluers

Die cutters

Deep embossing stamping machine

Laminating machines

Laminators

Varnishing machines

Window patching machines

Creasing machines

Coating machines

Strapping or packing machines

Embossing press machines

Paper cutting machines

Paper roll slitting machine

Laser machines for die board cutting

Shrink tunnels

Bending machines

Die cutters with stripping function

Others

◆ Consumables and Spare Parts

UV Vanish

Printing ink

Digital inkjet supplies

UV curing system

Printing roller

Fountain solution

Printing plate materials

Blankets

Ink roller cleaning agent

PS plate

Resin plate

Vehicle wash water

Ink additive

Ink knife, etc.

Adhesives

Lamination Film (Laminating thermal film)

Holographic film

Glueless lamination film

Hot stamping foil

Feeder

Gluing system

Plasma system

PVC,PET and PP sheets

Belts

Packing straps or strapping material

Speed reducer

Air pump

Die cutting supplies, etc.

Others

◆ Auto-control system

Box structure design programs/software for corrugated and folding carton box design

ERP software、enterprise resource planning ERP

Auto-control system software

Others

◆ Services

Printing plates (plate making)

Moulds

Training

Second-hand machines

Design company

Plant Auxiliary Equipment

Others

◆ Rigid Box Converting Equipment

Fully-automatic hat box production line

Fully-/semi-automatic covering machines

Rigid box wrapping machine

Book box assembly machine

Paper box angle gluing machines

Cardboard slotting machines

Plastic Box Converting Equipment

Fully-automatic folder gluing machine

Fully-automatic rotary high frequency welding machine

High frequency machines(High wave machines)

Plastic box pasting machines

Plastic box folding machines

Circle tube machines

Slice machines

Others

◆ Food Paper Container Equipment

Roll Paper die-cutting machine

Paper cup making machine

Paper drums/barrels machine

Paper bowl making machine

Ice cream paper cone machine

3D carton (Hamburger box) forming machine

Spiral paper tube machine

Laminating machine

High-speed slitting and rewinding machine

Punching machine

Paper cup testing machine

Paper plate making machine

Cup lid making machine

Laminator (labeller)

Cake box making machine

Full / semi-automatic egg / fruit tray production line

Food bag making machine
Takeout packing machine
Lunch box machine
Paper straw making machine
Paper Bag Manufacturing Equipment

Roll-fed paper bag machine

Fully auto sheet-fed square bottom paper bag machine

Bottom-gluing machines

Paper bag making machines

Paper-strip-making machines

Paper sack tube making machines

Punching machines

A three-dimensional non-woven bag making machine

Non woven box bag making with online handle attach machine

Non woven flat bag making machine

Flat bag and non-woven zipper bag in bag making machine

Non woven sheet cutting&loop welding machine

Non-woven bag making machine

Non-woven screen silk screen machine

Extrusion laminating machine

Ultrasonic lace machine

Others

◆ **Plant supporting equipment**

Waste treatment

Sewage disposal systems

Plant humidification and thermostatic equipment

Others

◆ **Testing Machines**

Paper inspection machines

Quality inspection machine

Others

◆ **Conveyor Systems & Material Handling Systems**

Raw Paper Conveyor

Palletizing System

AGV Forklift System

Robotics System

Rail Guided Vehicle System RGV

Management Execution System

Equipment Data Collection

Warehouse Management System

Stereo Warehouse (Raw Paper/Finished Goods)

Whole Plant Planning
